PARAG PARIKH

A highly inspirational account of succeeding in life, work

Take control of your life in a matter of seconds

Wisdom of the ages for the new age

What I have learned from these books is that one must have an undying passion that is irrespective of the outcome. One should also be patient in the face of challenges and realise that there are no shortcuts in life.

The writer is the author of the bestselling book *Stocks to Riches* and is the chairman of PPFAS.
